Preparation of this Report

The Developer prepared this report to disclose relevant information, including "material facts", that are reasonably known to the Developer about the condominium project covered by this report. This report has been prepared pursuant to the Condominium Property Act, Chapter 514B, Hawaii Revised Statutes, as amended from time to time. The law defines "material facts" to mean "any fact, defect, or condition, past or present that to a reasonable person, would be expected to measurably affect the value of the project, unit, or property being offered or proposed to be offered for sale."

This report has <u>not</u> been prepared or issued by the Real Estate Commission or any other governmental agency. The issuance by the Commission of an effective date for this Developer's Public Report (1) does not mean that the Commission approves or disapproves of the project; (2) does not mean that the Commission thinks that either all material facts or all pertinent changes, or both, about the project have been fully or adequately disclosed; and (3) is not the Commission's judgment of the value or merits of the project.

This report may be used by the Developer for promotional purposes only if it is used in its entirety. No person shall advertise or represent that the Commission has approved or recommended the project, this report or any of the documents submitted with Developer's application for registration of this project.

This report will be amended if, after the effective date of this report, any changes, either material or pertinent changes, or both, occur regarding the information contained in or omitted from this report. In that case, the Developer is required to submit immediately to the Commission an amendment to this report or an amended Developer's Public Report, clearly reflecting the changes, including any omitted material facts, together with such supporting information as may be required by the Commission. In addition, the Developer may choose at any time to change or update the information in this report. Annually, at least thirty days prior to the anniversary date of the Effective Date of this report, the Developer shall file an annual report to update the material contained in this report. If there are no changes, the Developer is required to state that there are no changes. The Developer's obligation to amend this report or to file annual reports ends when the initial sales of all units in the project have been completed.

Purchasers are encouraged to read this report carefully and to seek professional advice before signing a sales contract for the purchase of a unit in the project.

Signing a sales contract may legally bind a purchaser to purchase a unit in the project, though a purchaser may have rights to cancel or rescind a sales contract under particular circumstances that may arise.

This material can be made available for individuals with special needs. Please call the Senior Condominium Specialist at 586-2643 to submit your request.

SPECIAL ATTENTION

[Use this page for special or significant matters which should be brought to the purchaser's attention and that are not covered elsewhere in this report.]

- 1. This Project does not contain at the present time any existing structures. There are two (2) "spatial units" or airspaces which have been designated as the two units of the project. No apartments have been constructed. Each purchaser who wishes to construct an apartment will be required to comply with the building codes, land use laws (LUO) and other county laws and ordinances. The LUO, for example, contains restrictions relating to the permissible use of the land, the number/square footage/lot coverage of structures permitted, and the amount of total development permitted on a lot. The Declaration also contains various restrictions. Each prospective purchaser should carefully review all applicable codes, laws and ordinances, including without limitation the LUO, and the Declaration.
- 2. The Project is located in the Milliani Technology Park ("MTP") and is subject to the covenants, conditions, and restrictions set forth in that certain Declaration of Protective Covenants, Conditions and Restrictions for Milliani Technology Park dated January 27, 1988, filed as Land Court Document No. 1526574, as now or hereafter amended, and any rules, regulations or restrictions now or hereafter promulgated by MTP Association.
- 3. This Public Report does not constitute an approval or disapproval of the project.
- 4. The land area beneath and immediately appurtenant to each unit is designated a Limited Common Element and is not a legally subdivided lot. The dashed lines on the Condominium Map designate the limited common element land area for the Units and should not be construed to be the property lines or legally subdivided lots.
- 5. No warranties are given to the purchaser as to the construction materials or workmanship of Project. The Units in Project are being sold in "as is" condition (pages 12 and 15).
- 6. Currently only Unit 2 is listed for sale. If Unit 1 is subsequently listed for sale, Developer shall deliver a copy of such listing agreement to the Real Estate Commission.
- 7. Developer, at Developer's expense and prior to the closing of the sale of Unit 2 shall clear Unit 2's limited common element yard area of trees and shrubs.
- 8. Developer to provide purchaser with an ALTA Survey completed in December of 2009, Developer will not be ordering an updated survey.
- 9. Purchaser, within three (3) days of the parties' execution of a sales contract, shall apply for any qualifying memberships in order to be deemed a "High Technology Firm" in accordance with the Mililani Tech Park CCRs. Purchaser shall diligently pursue and obtain such membership prior to closing. Purchaser shall also apply to and seek the approval of the MTP owners association and/or the City and County of Honolulu classifying purchaser as a High Technology Firm, as may be required by the CCRs. This condition runs in favor of Developer only and may be waived only by Developer in its sole discretion.
- 10. Unit 1, which at present Seller is not selling, has a majority of the common interests (67%) in the Project.
- 11. At present, the only maintenance fees anticipated for the Project are the fees and assessments due to MTP Association with respect to the parcel upon which the Project is located. The current fees are shown in Exhibit "D" and are anticipated to increase over time.

General Information On Condominiums

A condominium is a special form of ownership of real property. To create a condominium in Hawaii after July 1, 2006, the Condominium Property Act, Chapter 514B, Hawaii Revised Statutes, must be followed. In addition, certain requirements and approvals of the county in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land and/or the building(s) and other improvements are leased to the purchaser. The lease for the land usually requires that at the end of the lease term, the lessees (unit owners) deliver their interest in the land to the lessor (fee property owner).

If you are a typical condominium unit owner, you will have two kinds of ownership: (1) ownership in your individual unit; and (2) a percentage interest in the common elements.

You will be entitled to exclusive ownership and possession of your unit. Subject to the documents governing them, condominium units may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift or operation of law.

Your unit will, however, be part of the group of units that comprise the condominium project. Study the project's Declaration of Condominium Property Regime, Bylaws of the Association of Unit Owners, Condominium Map and House Rules, if any, which are being concurrently delivered to you with this report. These documents contain important information on the use and occupancy of the units and the common elements of the project, as well as the rules and regulations of conduct for unit owners, tenants and guests.

Operation of the Condominium Project

The Association of Unit Owners is the entity through which unit owners may take action with regard to the administration, management and operation of the condominium project. Each unit owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as a unit owner. The Board and officers can take certain actions without the vote of the unit owners. For example, the Board may hire and fire employees, increase or decrease maintenance fees, adopt budgets for revenues, expenses and reserves and regulate the use, maintenance, repair and replacement of common elements. Some of these actions may significantly impact the unit owners.

Until there is a sufficient number of purchasers of units to elect a majority of the Board, it is likely at first that the Developer will effectively control the affairs of the Association. It is frequently necessary for the Developer to do so during the early stages of development and the Developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective purchasers should understand that it is important to all unit owners that the transition of control from the Developer to the unit owners be accomplished in an orderly manner and in a spirit of cooperation.

In general, a non-conforming use, structure or lot is a use, structure or lot that was lawful at one time but that does not now conform to present zoning requirements. Under present zoning requirements, limitations may apply to extending, enlarging or continuing the non-conformity and to altering and repairing non-conforming structures. In some cases, a non-conforming structure that is destroyed or damaged cannot be reconstructed. If a variance has been granted or if uses, structures or lots are either non-conforming or illegal, the purchaser should consult with county zoning authorities as to possible limitations that may apply in situations such as those described above. A purchaser may not be able to obtain financing or insurance if the condominium project has a non-conforming or illegal use, structure or lot.

The Condominium Property Act (Chapter 514B, HRS), the Declaration, Bylaws and House Rules control the rights and obligations of the unit owners with respect to the project and the common elements, to each other, and to their respective units.

5.8 Purchaser's Right to Cancel or Rescind a Sales Contract

A purchaser's right to cancel a sales contract or to rescind a sales contract may arise under varying circumstances. In the sections below, some circumstances that will give rise to a purchaser's right to cancel or rescind are described, together with what a purchaser must do if the purchaser wishes to exercise any of the rights.

5.8.1 When a Sales Contract becomes Binding and Purchaser's 30-Day Right to Cancel a Sales Contract

A sales contract signed by a purchaser and the developer will not become binding on a purchaser or the Developer until the following events have taken place:

- (1) The purchaser has signed the sales contract.
- (2) The Developer has delivered to the purchaser a true copy of the developer's public report with an effective date issued by the Commission, together with all amendments to the report as of the date of delivery, and the project's recorded Declaration and Bylaws, House Rules (if any), the Condominium Map and any amendments to them to date (all of which are a part of the developer's public report). If it is impracticable to include a letter-sized Condominium Map, the Developer must provide written notice of an opportunity to examine the Condominium Map.
- (3) The Developer has delivered to the purchaser a notice of the purchaser's 30-day cancellation right on a form prescribed by the Commission.
 - (4) The purchaser does at least one of the following:
 - (a) Waives the purchaser's right to cancel the sales contract within 30 days from receipt of the notice of the purchaser's 30-day cancellation right; or

- (b) Allows the 30-day cancellation period to expire without exercising the right to cancel; or
- (c) Closes the purchase of the unit before the 30-day cancellation period expires.

The purchaser or the Developer may cancel the sales contract at any time during the 30-day cancellation period, and the sales contract will be canceled and the purchaser's deposits returned to the purchaser, less any escrow cancellation fee and other costs associated with the purchase, up to a maximum of \$250.

5.8.2 Right to Cancel a Sales Contract if Completion Deadline Is Missed

In addition to the purchaser's 30-day cancellation right described in Section 5.8.1 above, when a sales contract is signed before completion of construction of a project, the purchaser will have the right to cancel if the unit is not completed by certain deadlines. In conversion projects, there must be a deadline for completion of any required repairs. Every sales contract shall contain an agreement of the Developer that the completion of construction shall occur on or before the completion deadline, and that completion deadline is set forth in this report in Section 5.5. The sales contract shall provide that the purchaser may cancel the sales contract at any time after the specified completion deadline, if completion of construction does not occur on or before the completion deadline, as the same may have been extended. Upon a cancellation, the purchaser's deposits shall be refunded, less any escrow cancellation fee and other costs associated with the purchase, up to a maximum of \$250.00.

5.8.3 Purchaser's Right to Rescind a Binding Sales Contract After a Material Change

If a "material change" in a project occurs after a purchaser has signed a sales contract that has become binding, the purchaser will have a 30-day right to rescind after notification and description of the material change. A material change is defined in the Condominium Property Act to be any change that "directly, substantially and adversely affects the use or value of (1) a purchaser's unit or appurtenant limited common elements; or (2) those amenities of the project available for the purchaser's use."

The purchaser will be informed of the material change by the developer on a form prescribed by the Commission containing a description of the material change.

After notice of the material change, the purchaser may waive the right to rescind by:

- (1) Checking the waiver box on the rescission form; or
- (2) Letting the 30-day rescission period expire, without taking any action to rescind; or
- (3) Closing the purchase of the unit before the 30-day rescission period expires.

The rescission form must be signed by all purchasers of the affected unit and delivered to the developer no later than midnight of the 30th calendar day after the purchasers received the rescission form from the developer. Purchasers who validly exercise the right of rescission shall be entitled to a prompt and full refund of any moneys paid.

A rescission right shall not apply in the event of any additions, deletions, modifications and reservations including, without limitation, the merger or addition or phasing of a project, made pursuant to the terms of the project's Declaration.

These provisions shall not preclude a purchaser from exercising any rescission rights pursuant to a contract for the sale of a unit or any applicable common law remedies.

6. MISCELLANEOUS INFORMATION NOT COVERED ELSEWHERE IN THIS REPORT

The Developer declares subject to the penalties set forth in Section 514B-69, HRS, that this project conforms to the existing underlying county zoning for the project, zoning and building ordinances and codes and all applicable permitting requirements adopted by the county in which the project is located, all in accordance with Sections 514B-5 and 32(a)(13), HRS.

For any conversion, if any variances have been granted, they are specified in Section 1.14 of this report, and, if purchaser deposits are to be used by the Developer to cure any violations of zoning, permitting requirements or rules of the county in which the project is located, the violation is specified in Section 1.15 of this report, along with the requirements to cure any violation, and Section 5.5 specifies the date by which the cure will be completed.

The Developer hereby certifies that all the information contained in this report and the exhibits attached to this report and all documents to be furnished by the Developer to purchasers concerning the project have been reviewed by the Developer and are, to the best of the Developer's knowledge, information and belief, true, correct and complete. The Developer hereby agrees promptly to amend this report to report and include either or all material facts, material or pertinent changes to any information contained in or omitted from this report and to file annually a report to update the material contained in this report at least 30 days prior to the anniversary date of the effective date of this report.

If Seller fails to deliver title as herein provided, Buyer has the option to terminate this agreement and have any of Buyer's deposits returned to Buyer. The foregoing shall not exclude any other remedies available to Buyer. Buyer will receive an Owner's standard coverage policy of title insurance at closing: (a) Seller shall pay 60% of the premium to be charged for an Owner's standard coverage policy of title insurance to be issued to the buyer in the amount of the sales price; and (b) Buyer shall pay 40% of such premium and any additional costs relating to the issuance of any extended coverage policy, including a Lender's policy.
- Risk of Loss. Risk of loss passes to Buyer upon transfer of title or occupancy whichever occurs first.
- 3. <u>Default.</u> It is expressly understood and agreed: First: In the event Buyer fails to pay the balance of the purchase price or complete the purchase as herein provided, Seller may (a) bring an action for damages for breach of contract; (b) retain the initial deposit and all additional deposits provided for herein, as liquidated damages; and (c) Buyer shall be responsible for any cost incurred in accordance with this contract. All expenses incurred by escrow shall be deducted from deposited funds prior to any disbursement to the prevailing party.
- 4. <u>Consent.</u> The obligations of Buyer or Seller hereunder are conditioned upon obtaining those necessary consents of vendors, existing mortgagees, lessors and/or condominium, co-op or other such associations, Buyer or Seller agree to cooperate and take all reasonable action to obtain such consents.
- 5. <u>Time Is Of The Essence</u>. If either Buyer or Seller for reasons beyond his control cannot perform his obligation to purchase or sell the property by the closing date, then such party by giving escrow written notice prior to the closing date called for in this contract with copies to all parties to this contract, can extend closing for no longer than 30 calendar days to allow performance. Thereafter time is of the essence and the default provisions of paragraph 5 apply. Any further extension must then be agreed to in writing by both parties. There is no automatic right to extend. This provision relates only to the extension of the closing date.
- 6. <u>Right of Cancellation and Rescission</u>. Unless waived, Buyer has a right of cancellation under Section 514B-86, HRS. Buyer also has a right of rescission under Section 514B-87, HRS, if there is a material change in the Project.

THE ABOVE SUMMARY IS NOT INTENDED TO BE A THOROUGH AND EXHAUSTIVE EXPLANATION OF ALL TERMS AND PROVISIONS CONTAINED IN THE PURCHASE CONTRACT. THE BUYER MUST REFER TO THE BUYER'S PURCHASE CONTRACT TO DETERMINE THE BUYER'S ACTUAL RIGHTS AND OBLIGATIONS. IF ANY CONFLICT OR DIFFERENCE EXISTS BETWEEN THIS SUMMARY AND THE PURCHASE CONTRACT, THE PURCHASE CONTRACT WILL CONTROL, NOT THIS SUMMARY.

The Escrow Agreement ("Agreement") between TITLE GUARANTY ESCROW SERVICES, INC. ("Escrow"), and HD MILILANI, LLC, a Hawaii limited liability company ("Seller"), contains, among other provisions, the following (which may be modified or otherwise limited by provisions not summarized):

- Escrow will receive payments under the sales contracts and sums received from any other source with respect to the project. Funds held under the Agreement will initially be deposited in an account for the project.
- 3. Escrow will release from the Trust Fund and disburse Buyer's funds at closing. No disbursements will be made from Buyer's fund until: (a) the Real Estate Commission has issued a Developer's Public Report on the project; (b) Buyer has waived its right to cancel the sales contract; and (c) Seller has notified Escrow that all other requirements of Sections 514B-82 to 514B-93, Hawaii Revised Statutes ("HRS"), have been met. Escrow will call for payments by the Buyer upon receipt of notice from Seller that any payments are due under sales contract. These funds shall be returned to Buyer less Escrow's cancellation fee, if any, any mortgagee's cancellation fee and all other costs incurred in connection with the Escrow. Any return of funds to the Buyer will be governed by Section 7 of the Agreement.
- 5. As Escrow's compensation for its performance under this Agreement, Escrow will receive an amount to be determined by Escrow for each apartment for which an apartment deed of the project is handled by Escrow and recorded in the Bureau of Conveyances of the State of Hawaii. Escrow will record all applicable documents. Title insurance will also cost an additional sum.
- 6. If Buyer defaults under the sales contract and Seller subsequently certifies in writing to Escrow that Seller has terminated the Sales Contract, Escrow shall thereafter treat all funds of the Purchaser under the sales contract as funds of the Seller and not the Purchaser. Upon Seller's request, Escrow shall pay such funds to Seller less any cancellation fee.

THE ABOVE SUMMARY IS NOT INTENDED TO BE A THOROUGH AND EXHAUSTIVE EXPLANATION OF ALL TERMS AND PROVISIONS CONTAINED IN THE AGREEMENT. WHILE ONE CAN USE THIS SUMMARY AS A GENERAL SUMMARY OF THE AGREEMENT, HE OR SHE MUST REFER TO THE ACTUAL AGREEMENT TO DETERMINE THE RIGHTS AND OBLIGATIONS OF THE PARTIES.
